What can the Dust Killer do for you?

- Dust Abatement
- Road Construction
- Building Site Compaction
- Landscape Watering
- Grass Firefighting

“Dust Killer” Auto-Skid

Visit wyliesprayers.com to find a location nearest you
Loading or unloading the Auto-Skid is as easy as:

1. Tilt the truck bed slightly
2. Move the truck

Downtime is reduced to mere minutes.

Distribute water through the spray bar or fire hose.

Add these options to maximize the versatility of your “Dust Killer” Auto-Skid.

- “In-Cab” control turns spray bar on/off from driver’s seat.
- Concrete saw adapter kit supplies cooling/lubricating water for concrete saws.
- Side discharge nozzle waters vegetation or suppresses dust in ditches or areas beside the truck.
